

REMARKS

In the February 26, 2007 Advisory Action, claim 9 is indicated to be allowable.

Applicant has amended claim 1 to incorporate the limitations of claim 9. Claim 9 has been cancelled, and claims previously depending from claim 9 have been amended so as to now depend from claim 1. Independent claims 74 and 75 have been cancelled. Also, Applicant has discovered an inadvertent error in the existence of two claims numbered 33. The second claim 33 (depending from claim 28) has been renumbered as new claim 76.

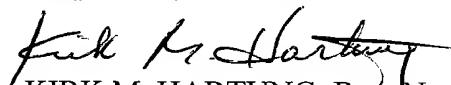

Accordingly, all of the claims are believed to be in proper form for allowance.

Therefore, Applicant respectfully requests issuance of a Notice of Allowance as soon as possible.

Conclusion

No fees or extensions of time are believed to be due in connection with this amendment; however, consider this a request for any extension inadvertently omitted, and charge any additional fees to Deposit Account No. 26-0084.

Respectfully submitted,
